

**The following are the criteria we are considering :**

- Shows that provide a diversity of experience for those who visit the gallery,
- Shows that align with our commitment to displaying art of high quality,
- Shows with work that will be for sale,
- Shows with participants who can set up, break down and provide staffing during regular gallery hours.
- Shows which ensure the gallery will be reasonably full and attractive. (consideration will be given that some shows will understandably have more work than others based on the type of work displayed).

**The proposal should include:**

- A statement of the concept and type of work that will be shown,
  - The names and number of artists participating,
  - Photos showing a few examples of the work that will be shown,
  - The rental date(s) you prefer.
- Proposals should be PDF format with jpeg attachments (as necessary). Questions and rental proposal submissions may be sent to [gallery@meetinghousearts.org](mailto:gallery@meetinghousearts.org)
